

Mrs. Beier,

My first year of Art in
the high school has almost ended
but I won't leave with an empty
mind. I really had a good time
in your class. The craft's fair
went by and even though some
things handicapped us we
still pulled through with flying
colors! Thanks for helping me
pull through a great first year
of Art.

Nancy R. Goff

Mrs. Beier,

MAY 15 73

I hope you will never forget our 8th period class of 1972 + 1973
never forget your two pesty friends Dawn and Mike. Enjoyed
having you as a teacher. I will probably be seeing you all next
year around the school. Keep smiling and be happy. Just in case
you want to remember what I look like, I'm in the chorus
picture, back row, fourth from right. Whether or not I gave you
a hard time during the year, I can say that you are a good person
and I like you. Hope you don't read this till after this school
year is over, because I feel funny saying that to a teacher.

Love Dawn

FATHER OF THE LEGEND

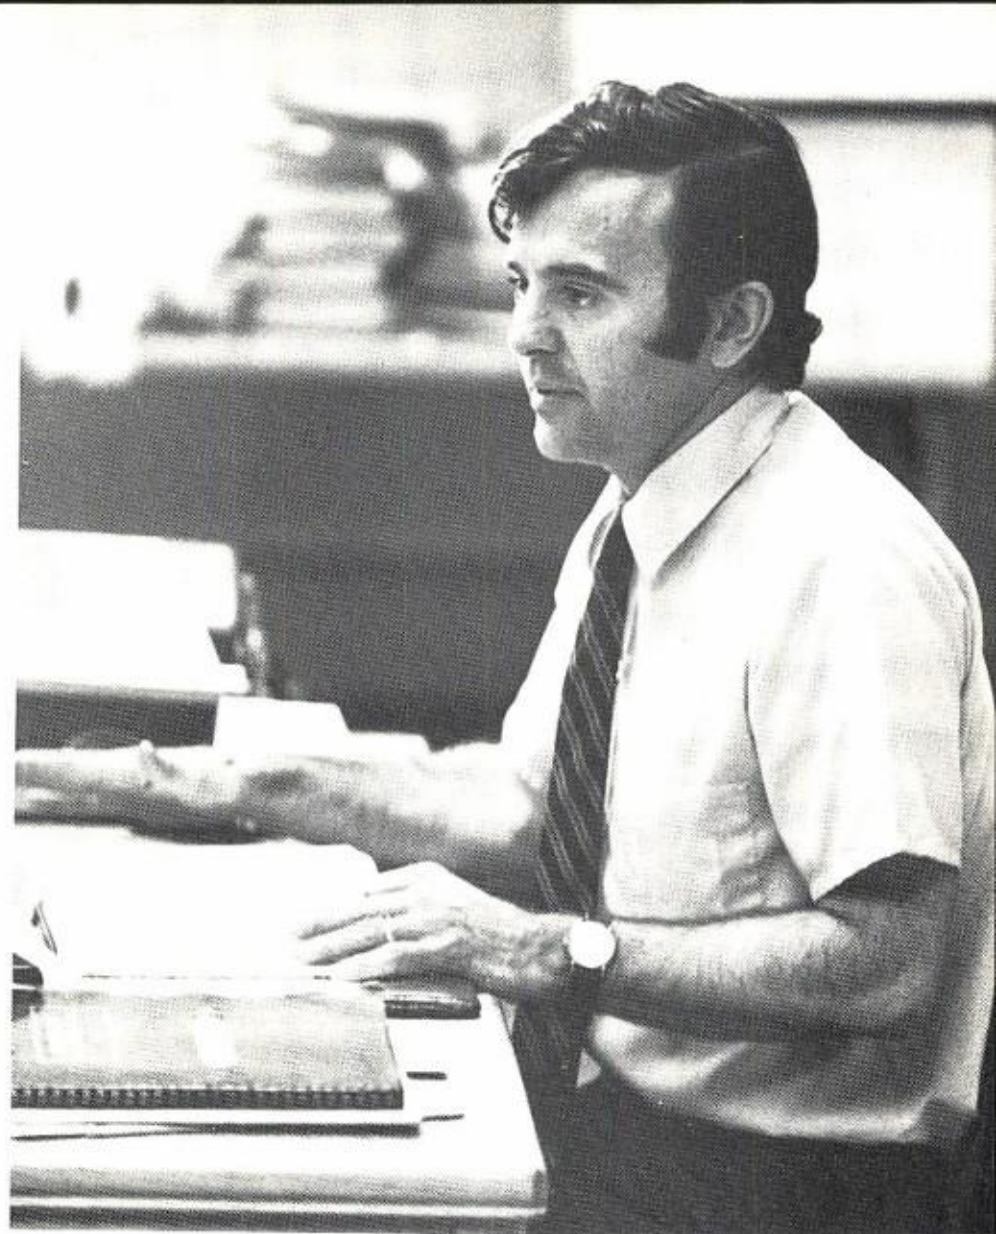

*Who would true valour see,
Let him come hither;
One here will constant be,
Come wind, come weather.
There's no discouragement
Shall make him once relent, ...
... No lion can him fright, ...*

*... Hobgoblin nor foul fiend
can daunt his spirit, ...
... Then fancies fly away,
He'll fear not what men say;
He'll labour night and day
To be THE FATHER OF THE LEGEND*

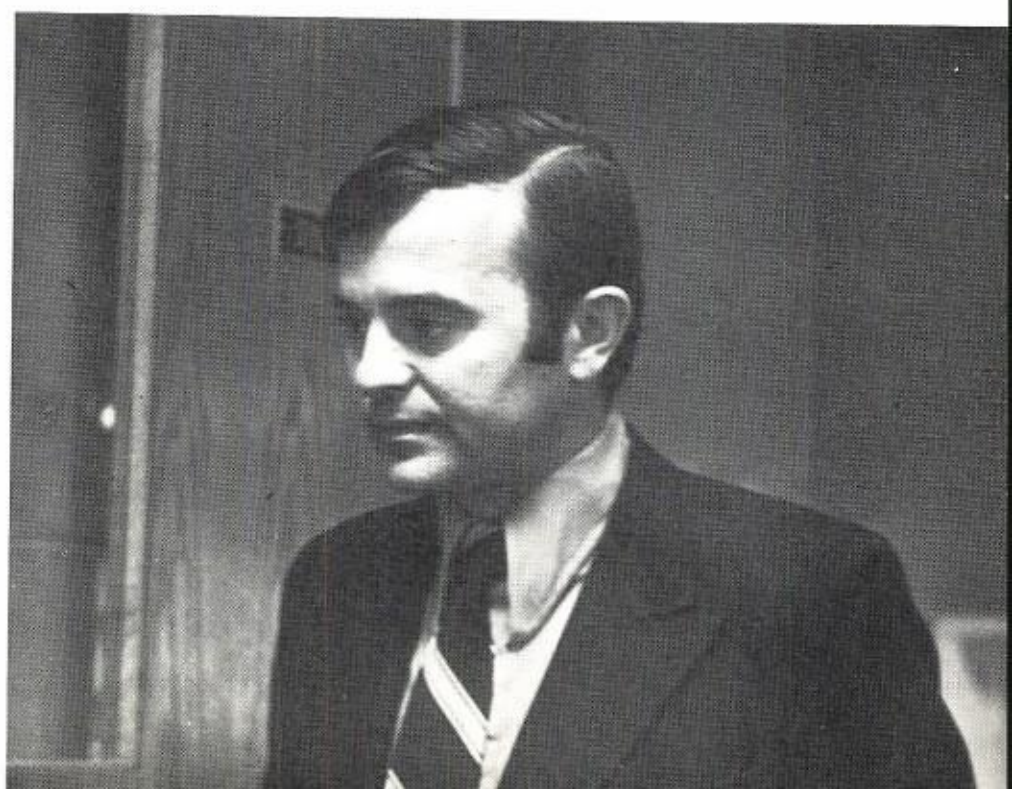

*Slightly modified
from The Pilgrim's Progress
John Bunyan*

In the esteem of the class of 1973,

*You have been
to us
Someone greater
than
the ecstasy of
words.*

Mrs. Beier,

Through all of the hard times I
